PUBLICATION OF CONFERENCE MINUTES.

The minutes for 1875 cost three hundred and two dollars and twenty-two cents; receipts for minutes, from all sources, three hundred and one dollars and thirty-seven cents, leaving a deficiency of eighty-four cents. The former complaint, that many preachers neglect to pay for their minutes until conference, may be made at this time, no less than thirty of the brethren waiting this year until they came to conference before settling this bill. We present the following resolutions:

Resolved, That the conference roll be called, to ascertain the number of copies of the minutes each member is willing to take, which, taken in the aggregate, shall be the number of minutes published.

Resolved, That in case any brother, being notified by the Secretary that his minutes are sent to him, does not receive them at the express or post-office within three weeks, he shall by letter notify the Secretary; otherwise he shall be held responsible for them.

Resolved, That the members of the conference be required to pay for the minutes to the Secretary in person, or by post-office order or registered letter, on or before the first day of December, 1876, and in case they do not pay before January 1st, 1877, there shall be added ten per cent. to the amount due.

Resolved, That the Secretary be authorized to obtain a new conference record and trunk, and present the bill at the next session of conference.

BISHOP E. S. JANES.

The committee appointed to prepare a minute, to be placed of record on the conference journal, in reference to the death of the Rev. E. S. Janes, Senior Bishop of the M. E. Church, would respectfully submit the following report:

WHEREAS, It has pleased the Great Head of the church to remove from our midst Rev. E. S. Janes, D. D., L.L. D., Senior Bishop of the M. E. Church, who has filled the office of Bishop for thirty-two years, and who, by his ability as a man, attainments as a scholar, abundant labors in the ministry, purity of character as a Christian, and entire devotion to his calling, has made a profound impression upon the church and country, and a reputation as wide as Methodism; therefore

Resolved, That we deeply feel the loss which our own church and protestant christianity in America has sustained in the death of our venerable Bishop, and, while as ministers we mourn his loss, we commend the surviving members of his family to the tender mercies of our Heavenly Father, and pledge ourselves to renewed consecration to the great work of the Christian ministry, in which our deceased Bishop was so long and successfully engaged.

Resolved, That Bishop Simpson be requested to address the conference on the life and services of the deceased, in such manner as to him may seem befitting the occasion.

Resolved, That the Secretary of the Conference be directed to furnish a copy of the foregoing minute to the presiding Bishop, to be transmitted to the surviving members of the family, and also a copy for publication in the *Western Christian Advocate.*

LEMANDA E. BRIGHT.

Sister Bright was the daughter of Ezra H. and Polly Marshall. She was born in Guernsey county, Ohio, January 20, 1853, and died at Houston, Jackson county, Indiana, June 10, 1876. She was baptised in infancy by Rev. Jeremiah Phillips, of the Pittsburg conference, and united with the M. E. Church in the fourteenth year of her age, at Scott Town, Ohio. She was united in marriage to Rev. S. A. Bright, August 26, 1875. Her married life was brief, but long enough to evince her devotion to the itinerant life and the peculiar duties of an itinerant minister's life. She sought to render all about her happy, and by the kindness of her spirit she rendered those happy who were permitted to enjoy her society.

In her last sickness she feared not the approach of death, but insisted upon knowing the worst of her condition, saying to her physician, "I am not afraid to die." Her last words uttered to dear friends, as she was about to pass to the spirit world, were words of assurance, and with the expressive utterance, "All will be well in the morning," passed to her everlasting rest.

REV. LEWIS HURLBUT.

Rev. Lewis Hurlbut was born in Whitehall, New York, October 17, 1774. His youth was passed in his native State. In the year 1818 he was happily converted, and all through his long life he rested confidently in the assurance that he was "born of God." In 1820 he removed to Indiana. He was united in marriage with Ann Woods, in Jefferson county, Indiana, February 28, 1822. The union was a long and happy one, and their golden wedding was celebrated at the residence of their son-in-law, Hon. Will Cumback, in 1872. At the time of their marriage they were not members of the church, yet the first evening in their own home they erected the family altar, and through all the years of their home life the daily sacrifice of prayer and praise was offered unto God. In a few weeks they united with the Methodist Episcopal church and ever after continued earnest and faithful members strongly attached to her doctrines and polity. He was licensed to preach in March 1834, and in the fall of the same year was admitted to the Indiana Conference, and appointed to Brownsville. In 1835 he was appointed to Columbus; 1836 and 1837, Vevay; 1838 and 1839, Versailles; 1840 and 1841, Milroy; 1842, Vernon; 1843, New Washington; 1844, Greenville; 1845, Hartford; 1846, Manchester; 1847, Utica; 1848, Moorefield; 1849, Mt. Carmel; 1850, Brownsville; 1851,

Milton; 1852, Liberty; 1853, Mt. Auburn; 1854, St. Omer; 1855 and 1858 superannuated; 1859, Wilmington; 1860, Manilla; 1861 and 1876 superanuated. He was always in labors abundant, and the people who waited for his coming for the word of life did not wait in vain. He was a successful preacher. It was remarked at his funeral by one who had known him long and intimately, that he had received more persons into the church in Indiana than any other man whose ministry had been spent in the State. According to the best data that can be obtained, over eighteen hundred persons were added to the church in the six years of his ministry on Vevay, Versailles, and Milroy circuits.

It was no small trial to him when advancing years compelled him to retire from the effective ranks of those with whom he had fought so long and well. After three years of rest he desired to be again made effective, and for two years more tried earnestly to do the work of a Methodist preacher; but again he was compelled to desist, and with the faithful companion of his long and laborious life he settled down in the quiet of his little cottage home in the beautiful town of Greensburg, Indiana, to spend the evening of his days. Here for the space of twelve years they passed the time of their sojourning in peace and quietness, blessed with the abundant consolations of the grace of God and the esteem and love of those who had known them most and best. In October, 1873, Father Hurlbut was stricken with paralysis. Three days afterward the old people were removed to the home of their son-in-law, Mr. Cumback, where every attention that loving hearts and dutiful hands could render was given them. Mother Hurlbut lingered with gradually failing powers until March 20, 1875, when she gradually fell asleep in Jesus. Father Hurlbut, by reason of his strong constitution, was able to survive the attack of paralysis nearly three years, and not until May 3, 1876, did the weary wheels of life stand still. With, it is thought, little suffering during his long illness, at two A. M. of a most beautiful spring morning, so quietly as to have been unobserved but that the ever-attentive eyes of children who never wearied in patient watching were upon him, he passed to that land where "everlasting spring abides."

REPORT OF COMMITTEE ON EDUCATION.

Your Committee on Education would respectfully report, without the general culture of the masses, no people can be either prosperous or happy, therefore, we rejoice in that liberal and efficient system of public instruction through which our State seeks to place the privilege of education within the reach of all classes of children and youth.

If any sect sees proper to place its youth outside of these privileges, it ought to accept the consequences. We are uncompromisingly opposed to the appropriation of any part of the funds raised for the support of our common schools, to the maintenance of sectarian schools, of whatever denomination.

Fully recognizing the importance of our great system of secular schools, we turn with more intense interest to those literary institutions of a higher order, under the particular supervision of our own church, and especially those within the bounds and patronizing territory of our own conference. These institutions are in no sense antagonistic to the public schools, but stand ready to take up the noble work of education com-

menced in them, to carry it forward to greater hights, and to place upon it the sacred impress of Christianity.

As a church, while we would cherish the most catholic spirit, we should look well to the culture of our own youth, if we would secure their future services. Young men and young women usually take on the denominational and religious types of the church in whose literary institutions they receive their education, and, instinctively turn to that church in after life. How very important then, that our youth be carefully kept under the moulding influences of our own church schools.

The permanency and prosperity of our institutions can be assured only by means of adequate endowment. In no other way can they be secured againt financial reverses. From the reports coming to us from the respective boards, of the three institutions within our own patronage, and also from our conference visitors, we learn that they are suffering for the want of funds.

Your committee would therefore earnestly recommend renewed and more energetic efforts, to increase the endowment fund of these institutions.

MOORE'S HILL COLLEGE.

The financial condition of this institution differs very little from that of last year, a full statement of which may be seen in the printed minutes of our conference, and need not be here repeated.

The number of students enrolled during the past year was one hundred and twenty-one.

There were three graduates.

Near the close of the first term, Rev. J. A. Maxwell, A. M., being invited to the pastoral charge of Charlestown station, was released from his duties as professor of ancient languages for the remainder of the college year. The classes of this department were distributed among the remaining members of the faculty, thus increasing the burdens of those already heavily pressed. The experiment, however, was dangerous alike to the health and life of both faculty and institution, and must not be repeated.

At the last commencement, Rev. F. A. Hester, D. D., tendered his resignation as President of the college. During the four years of his presidency he made a profound impression for good upon the students, and won their highest respect and confidence. After four years of ceaseless vigilance and extraordinary labors. he chose to return to the pastoral work, and, consequently, his resignation was accepted.

The trustees elected Rev. J. P. D. John, A. M., to the Presidency of the college.

Rev. J. A. Maxwell, A. M., re-entered upon the duties of the department of ancient languages. Rev. A. W. Adkinson, A. B., was elected to the chair of mathematics, and G. P. Jenkins, A. M., to the chair of natural science, to fill the vacancy occasioned by the resignation of Mrs. H. P. Adams, A. M.

The current college year opened September 4 under favorable circumstances, and with encouraging prospects for a large increase in the attendance of students. The faculty have established a normal school for the training of teachers, which it is believed will prove an attractive feature. The members of the conference are earnestly requested to lend their influence toward increasing the number of students.

We respectfully recommend that the Bishop appoint Rev. J. P. D. John, A. M., president of the college, and Revs. J. A. Maxwell, A. M., and A. W. Adkinson, A. B., professors.

The time of the following trustees of the college has expired: William Newkirk, George V. Churchill, and Josiah Chambers, deceased.

Your committee would recommend the election of the following persons to fill the vacancies: W. H. Adkinson, Prof. J. H. Martin, and H. B. Gault. We would also recommend the appointment of Rev. E. L. Dolph, Rev. C. Tinsley, and Rev. W. Harrison as Conference visitors.

THE GARRETT BIBLICAL INSTITUTE.

This institution has just completed its twentieth year. During this period nearly one thousand young men, called of God to the ministry, have come under the influence of its instructions. The number of students in the theological classes during the past year, was greater than ever before, notwithstanding the prevailing financial stringency. The established policy of keeping the expenses within the income has been maintained. We earnestly commend this institution to all who are seeking a thorough theological education.

We recommend the appointment of Rev. S. T. Gillett, D. D., and Rev. G. P. Jenkins, A. M., as conference visitors.

INDIANA ASBURY UNIVERSITY.

We take pleasure in reporting that the Indiana Asbury University has just closed a year of unusual prosperity and success. Notwithstanding the pressure in financial circles, the last catalogue shows an attendance of five hundred and nine students, a number in excess of the enrollment of any previous year. The

wisdom of the action of the joint board of trustees and visitors in the election of Rev. Alexander Martin, D. D., to the presidency of the university, is shown in the marked success that has characterized his first year's administration, which, at the very threshold, stamps him as an administrator and educator, eminently the peer of the illustrious men who have preceded him. The faculty, which remains the same as last year, have, as will be seen by reference to the report of your conference visitors, worked together harmoniously and successfully in the discharge of the duties of their respective departments. We are gratified to be able to report that at the last commencement an effort was made to raise the means necessary to complete the new college hall. While the amount secured at that time is not quite sufficient for this purpose, the building committee felt authorized to contract for the completion of the building, and the work is already so far advanced, and the prospect for means to meet the expenses incident so promising, that we feel authorized to say that the exercises of the next commencement will be held in a finished building, with no liabilities beyond the debt which now exists.

The success and advantages which have followed the severing of the college and preparatory departments, and the complete and thorough reorganization of the latter, provides to the church and the State a training school for either the university classes or for business, which is very superior in the advantages that it offers.

We would also recommend an approval, so far as we are acquainted with the facts in the case, of the action of the committee appointed by the joint board of the university, at their late meeting, in effecting an arrangement by which the Indiana Medical College, at Indianapolis, is to become co-ordinate with the college of arts, as a department of the university. This arrangement awaits only the indorsement of the joint board to be final.

A reference to the course of study, as set forth in the catalogue, shows that by a system of substitutions and elections, which do no violence to the integrity of the literary courses, an amount of instruction is given in biblical and theological studies that will enable the young minister. to enter upon the work of the Master with great advantage.

The prominent position justly earned by the sons of Asbury, and the earnest zeal which they everywhere manifest in her behalf, induce your committee to recommend that the trustees and visitors belonging to our conference be instructed to use their influence to secure such action by the joint board of trustees and visitors of the university as will enable the society of alumni to place a representative on the board of trustees.

We would urge the importance of renewed efforts on the part of the members of our conference to increase the material resources of this noble institution, that its power and facilities for good, under the blessing of God, may be correspondingly enlarged.

The time of service of Rev. F. C. Holliday, D. D., Hon. A. C. Downey, and Hon. Will Cumback, as trustees of the University, has expired. Your committee would respectfully recommend their re-election by the conference. Also, that Rev. J. H. Bayliss, D. D., and Rev. L. G. Adkinson be appointed conference visitors.

S. T. GILLETT, *Chairman.*
W. HARRISON, *Secretary.*

REPORT OF THE AUDITING COMMITTEE.

On examination of the papers, notes and vouchers submitted to us by the treasurer of the conference, Joseph Tarkington, we find that he paid over to the Missionary Society of the Methodist Episcopal Church, twenty-sixth of January, 1876, one thousand and seventy-three dollars, from the bequest of Walter Hays—and that the sum of three thousand six hundred dollars is safely invested at ten per cent. interest, and that four hundred dollars are on deposit in the First National Bank of Greensburg, Indiana, making in all four thousand dollars, the amount of the "Miller bequest."

We also find that the sum of two hundred and five dollars was paid over to F. C. Holliday, October 9, 1875, for the benefit of the Missions in the bounds of the South-East Indiana Conference.

TRACT SOCIETY.

The object of the Tract Society, is the distribution of religious truth, in cheap form, among the masses. It has accomplished an incalculable amount of good, and demands that we, as a church, give it more attention.

We recommend that the pastors impress this fact upon the minds of their congregations, and urge upon them the importance of sustaining this benevolent cause.

We further recommend that the pastors take their collections early in the year, forward the same to the general treasurer,

receive in return tracts for distribution among the poor of their charges.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

The Committee on Woman's Foreign Missionary Society beg leave to report that, notwithstanding the youthfulness of this society as a regular benevolent institution of the church, its past history proves it to be the most efficient agency in bringing into the great field of missionary work the much needed talent and influence of the women of our church; therefore,

Resolved, That we, the ministers and pastors of the South-East Indiana Conference, will do all in our power to enlist the sympathy and co-operation of the women of our respective charges in the interests of this society.

REPORT OF COMMITTEE ON PERIODICALS.

Resolved, That we will give increased attention to the circulation of our church papers, and will endeavor, notwithstanding the financial depression of the times, to increase the subscription lists to these papers on all our charges.

Resolved, That we heartily approve the contemplated change in the character of our church magazine, heretofore known as *The Ladies' Repository*, but to be known on and after the first of January next as *The National Repository.*

Resolved, That we congratulate the church upon the selection of Rev. Daniel Curry, D. D., as the editor under whose management the new magazine is to begin its career. His broad and accurate scholarship, his eminent literary ability, his long connection with the periodical literature of the church, and his distinguished success therein, all warrant the expectation that his new field of labor will yield large results, and we hereby pledge to him our cordial and earnest co-operation, by making a thorough canvass of all our charges in behalf of the new magazine.

Resolved, That as one chief embarrassment of the Book Concern grows out of the large amount of money due to the Concern from its agents in the traveling ministry, the members of this

conference will settle all accounts with the Book Concern at the earliest practicable moment.

REPORT OF COMMITTEE ON SUNDAY-SCHOOLS.

Your Committee on Sunday Schools would report as follows:

WHEREAS, We regard the Sabbath-school as the primary department of the church, and as affording the largest opportunity for the dissemination of Bible knowledge, and the development of the spiritual and practical power of the church; therefore,

Resolved, That while we rejoice in the continued prosperity that has enabled us to enroll nineteen thousand one hundred and six schools, two hundred and six thousand six hundred and thirteen officers and teachers, and one million three hundred and ninety-eight thousand seven hundred and thirty-one scholars, of all ages, we still feel it our bounden duty to carry forward, with renewed energy, the great work of the Sunday-school cause until all the children be "taught of the Lord."

Resolved, That in order to identify the Sunday-school more closely with the church, and thus to secure its safer control and greater efficiency, we will discourage the too common method of allowing the schools as such to choose their teachers and elect their officers, and will insist upon the organization of all our schools upon the disciplinary plan which requires that "every Sunday-school of the Methodist Episcopal Church shall be under the supervision of a Sunday-school board," said board to consist of the "preacher in charge, the Sunday-school committee appointed by the quarterly conference, the superintendent, the assistant superintendents, the secretary, the treasurer, the librarians, and the teachers of the schools." [See New Disc., par. 248.]

Resolved, That we realize the great necessity of more efficient teachers, and that we will, whenever practicable, organize teachers' meetings in connection with all our Sunday-schools, and thus endeavor to raise up within the church a large number of well-trained teachers for this special work.

Resolved, That in view of the financial necessities of the Sunday-school Union, and of the fact that *twenty-nine* charges of this conference, the present year, took no collection for this cause at all, and that most of those which did, made very meager reports—making a decrease from the previous year's collection of twenty-seven dollars and fifteen cents—we do pledge ourselves to take the collection the coming year for the Sunday-school Union.

BIBLE REPORT.

WHEREAS, The Bible is the divinely appointed agency for the enlightenment and salvation of the world, and inasmuch as the preaching of the Gospel and the Bible are alike designed by their author for universal dissemination among men, and must accompany each other in the great work of evangelizing the world; therefore,

Resolved, That we hereby express our hearty approval of the efforts of the American Bible Society to supply the world with the word of God.

Resolved, That we have heard with interest the statements of Rev. H. H. Benson, district superintendent of the society, and that we approve of the policy of adopting more fully the system of voluntary unpaid canvassing agents, and that we will heartily co-operate in its work by encouraging its agents, and by taking a yearly collection for the cause where the agent has not done so.

REPORT OF COMMITTEE ON THE OBSERVANCE OF THE SABBATH.

The question of the observance of the Sabbath in this country is beginning to assume a very serious aspect. Indeed, there is very great danger of our losing the Christian Sabbath entirely. Many of our citizens, both of American as well as foreign birth, who are not connected with any of our churches, desire to have and are laboring to convert the Sabbath into a mere holiday—a day of pleasure and of traffic. Coupled with this we find a secularized religious sentiment which is gaining currency rapidly, which, joined with the above, is seeking to entirely destroy the sanctity of this holy day. This tendency is seen cropping out in the form of Sunday railroad and steamboat excursions, and in systematic and habitual buggy and carriage riding upon the Sabbath day; in public parades and processions, accompanied with bands of music, and all the necessary noise and disturbance accompanying the same, which in some instances has entirely broken up religious and worshiping assemblies. And hence, in view of all these things it becomes us as a church, and especially as ministers of the gospel, to whom God has committed the keeping of divine things, to place our seal of condemnation upon all of these practices.

But, while we give expression of condemnation in these utterances to this Sabbath desecration, would it not be well for us to pause just here, and look candidly at the example of some of our own particular transactions?

Let us ask ourselves whether or not the example of some of our camp-meeting associations, in sharing the profits of Sunday railroad trains, and of the traffic upon the grounds, and by taking a *fee* at the entrance thereto, is not secularizing the Sabbath, converting it into a day of speculation and profit; as well as a means of closing our own mouths upon the subject of Sabbath desecration?

Believing, therefore, that the above is true, but doubtless unintentionally so, yet being so interpreted by the enemies of the Sabbath, we therefore offer the following resolutions:

Resolved, That we re-affirm the imperative necessity of "remembering the Sabbath day to keep it holy."

Resolved, That as ministers of the gospel we will endeavor to enforce the command, both by precept and example.

Resolved, That we hereby express our disapproval of camp-meeting associations receiving monies, either from public carriers or common traffic upon the grounds, which have been earned upon the Sabbath day.

Resolved, That we also disapprove of the plan of taking an entrance fee into our camp grounds upon the Sabbath day.

Resolved, That we hereby express our entire disapproval of the national desecration of the sanctity of the Sabbath day by the explosion of Hurl Gate in East river, September 24, 1876.

REPORT OF COMMITTEE ON TEMPERANCE.

WHEREAS, The subject of temperance has increasing demands upon the attention and consideration of all Christian people, and especially from the members of the M. E. Church, who have long been the professed advocates of the temperance cause; therefore,

Resolved, That we, as ministers, will labor in the pulpit and in every laudable way for the suppression of intemperance.

Resolved, That we recommend the unfermented juice of the grape to be used in the administration of the sacrament, instead of an article composed of suspicious ingredients, and possessing alcoholic and intoxicating properties, which in some instances may work an injury to the cause of temperance and religion.

REPORT OF COMMITTEE ON TOBACCO.

WHEREAS, Our physical as well as moral nature is a gift of God, and all the laws which affect either are ordained by Him, and since a violation of any of these laws is injurious to man, disrespectful and offensive to God, and since the use of tobacco is, in its external effects, expensive, filthy and exceeding obnoxious to the more refined feelings of society; therefore,

Resolved, That we, ministers of the South-East Indiana Conference, do strictly abstain from the use of tobacco as a luxury, and that we guard closely our conference doors against all who make such use of it.

Resolved, That we exercise every expedient relative to our office against all traffic in tobacco, and also against the growing or using of it.

REPORT OF FREEDMAN'S AID SOCIETY.

We recognize the Freedman's Aid Society as an efficient agency for the uplifting of the colored people south. We rejoice that our church has gone forward in this great work, notwithstanding the many obstacles in the way, and has already accomplished so much. But we are sorry there is not more interest taken in this branch of our church work. The church should heed this truly Macedonian cry. We should, as a conference, endeavor to do more for this benevolent agency. The elevation of this deeply wronged and oppressed people, depend largely upon our church. Let us do our duty like men.

REPORT OF COMMITTEE ON POPULAR AMUSEMENTS.

Your committee call attention simply to our book of discipline, pages thirty-two and two hundred and twenty-one, which refers to "dancing," "card-playing," "theater-going," "attending circuses," "singing those songs," and taking such other diversions as can not be used in the name of the Lord Jesus, as sufficiently comprehensive and explicit, the consideration and observance of which are all that can be reasonably required and expected. All of which we most heartily approve.

REPORT OF COMMITTEE ON CHURCH EXTENSION.

Your committee is deeply convinced that the Church Extension Society is accomplishing a great and permanent work in establishing our Zion in needy and destitute places, especially in the south and far west, and that no money expended by the church is more fruitful of good in rendering permanent results of gospel work and the spread of christianity, and as the demands are increasing and the wants imperative, much larger contributions should be made by our people to its treasury. We are compelled, however, to say the contributions to this noble work have decreased rather than increased.

The collections for the past year by districts are as follows: Indianapolis district, seventy-six dollars and five cents; Connersville district, seventy-eight dollars and seventy-five cents; Moore's Hill district, fifty-four dollars and forty cents; Jefferson and Madison district, seventy-three dollars and thirty-five cents; Greensburg and Columbus district, eighty-seven dollars and ten cents; making a total of three hundred and sixty-nine dollars and sixty-five cents, being a decrease from last year of two hundred and twenty-seven dollars and twenty cents. This falls far below our conference assessment.

We would commend this most important work to our people, and promise as pastors for the incoming year to take this collection early and earnestly from every congregation.
